### 6.67" AMOLED DotDisplay with 120Hz refresh rate to ace your viewing experience

Boasting a 6.67-inch AMOLED display, POCO X4 Pro 5G offers a 120Hz refresh rate and 360Hz touch sampling rate for extremely smooth and immersive experience. The flagship-level 120Hz refresh rate brings images to life, right before your eyes whether for gaming or scrolling. The 360Hz touch sampling rate enables an ultra-fast response speed of control, providing better gameplay immersion and lower response latency. It supports DCI-P3 wide color gamut which provides a true-to-life visual experience. The AMOLED display with automatic brightness adjustment is perfect for day-to-day efficiency, featuring 2400 x 1080 FHD+ resolution, 4,500,000:1 contrast ratio and SGS Eye Care Certification. With an all-around experience, it aces all facets for techies with a trendsetting display.

### Flagship-level 108MP main camera to ace your content

POCO X4 Pro 5G houses an all-around camera system consisting of a 108MP main camera, an 8MP ultra-wide camera and a 2MP macro camera. The flagship-level 108MP camera sensor attains 1/1.52" large sensor size, from which you can capture every minute detail with a 9-in-1 binning technology. Sporting a triple-camera set-up in the rear and a 16MP front camera, POCO X4 Pro 5G brings you high dynamic range pictures. Along with this, it also offers slow motion, dual-video, time-lapse video, super macro, movie filters and kaleidoscope to ace your videos with variant features.

### Ace your day-to-day use with Snapdragon® 5G processor, large battery and immersive audio-visual experience

Equipped with Snapdragon® 695, a 5G processor built on 6nm production technology, POCO X4 Pro 5G is a contender rather than comparative one. The octa-core CPU consists of two ARM Cortex-A78 performance cores with a speed of up to 2.2GHz. In addition to 8GB of RAM, POCO X4 Pro 5G offers an extra 3GB transformed from the 256GB of ROM<sup>1</sup>, thanks to Dynamic RAM Expansion Technology<sup>2</sup>. Coming with a whopping 5000mAh battery, POCO X4 Pro 5G excels daily tasks — more than 15 hours video playback, 25 hours of reading, 191 hours of music playing back to back<sup>3</sup>. In about 20 minutes, the 67W turbo charging enables the device to be charged from 0% to 70% and to 100% in 41 minutes<sup>4</sup>. POCO X4 Pro 5G brings unparalleled immersive experience by offering dual speakers, Z-axis linear motor and the latest version of MIUI 13 with new features and performance improvements. Three classic colors for options: Laser Black, Laser Blue and POCO Yellow.
